

Access to Faculty Professional Development Services beginning January 1, 2008

Who do you call, if you want to:

- Advance IUPUI's urban mission in teaching, research and service
- Embed experiential learning in your course or department
- Participate in a faculty community of practice

Consortium for Learning and Scholarship
(<http://cls.iupui.edu>)

Contact: Mary Price, Program Coordinator
4-8880
price6@iupui.edu

- Get assistance with grant writing
- Help your graduate students prepare for their role as future faculty
- Engage your students more fully in undergraduate research opportunities individually or in the classroom
- Connect with other faculty on campus who mentor undergraduate students engaged in research
- Identify funding opportunities to support the involvement of undergraduate students in research
- Find federal support for undergraduate research for students from under-represented groups

Center for Research and Learning
(<http://crl.iupui.edu>)

Contact: Kathryn Wilson, Executive Director
8-0644
kjwilson@iupui.edu

- Redesign or invigorate your course with a service learning component, including study abroad courses
- Promote the engagement of your students and fellow faculty in community service projects
- Expand an ongoing community-based research project into a long-term community partnership
- Develop a research project based on the scholarship of service and civic engagement
- Connect your students with opportunities to integrate career exploration and educational experiences through community work-study
- Obtain scholarships and federal work study funds for student who assist with civic engagement work
- Develop assessment methods for service learning courses and civic engagement work

Center for Service and Learning
(<http://csl.iupui.edu>)

Contact: Robert Bringle, Executive Director
8-2442
